

# NanoDialogue

How to design a participatory process for a consortium of science centres and science museums on an emerging issue at the European level.

## Section F: Evaluation

### No. B1: Hand out Participants Impressions

#### 1. This training workshop on NanoDialogue:

mention 3 positive points:

- 1.
- 2.
- 3.

mention 3 negative points:

- 1.
- 2.
- 3.

#### 2. The method used:

mention 3 positive points:

- 1.
- 2.
- 3.

mention 3 negative points:

- 1.
- 2.
- 3.

#### 3. About the material for this case study:

Did you download before you came here?

Did you read it?

Is it useful?

Which part can you use?
